#### **What age groups do we intend to run teams?**

We intend to run travel teams, U9-12, both boys and girls. We are not going to make any assumptions of second teams, but will offer multiple levels of play in an age group where appropriate. We will not be holding evaluations for U12, as teams are mainly established by this age group.

#### **What is the GMSC “playing up” approach?**

To set a baseline, we are going to ask all players to tryout in their primary age group but any player can take part in a secondary evaluation in the age group immediately above.

#### **What if my son or daughter cannot make the evaluation date?**

We will make arrangements for your son or daughter to evaluate on a different night but your child MUST evaluate to be considered for the top team in an age group. If a player has a conflict with the night of an evaluation, please contact Mike Hallowell, Evaluation Coordinator, ([mahall73@gmail.com](mailto:mahall73@gmail.com)) to make other arrangements.

#### **What are the evaluators looking for in my child?**

The evaluators are looking for a combination of many things including: Foot skills (Dribbling, passing) overall soccer awareness (Field vision, effort without the ball, creativity) and athletic ability (Endurance, Speed/Quickness)
