WHY ARE WE DOING A FUNDRAISER?

Many club members do not realize that we pay quite an expense to lease the land that we practice on/hold our home games on. We also incur many expenses throughout the seasons related to equipment (goals) as well as field maintenance (line painting, etc.). We generally hold one fundraiser in the Spring and one in the Fall. This is to help us offset the expenses to keep our registration fees stable. If you have any other questions related to this, do not hesitate to reach out and ask! We, as a club, want to be as transparent as possible with our members.
